Welcome

Welcome and Thankyou to all our new friends on their way back to Atlantis via the Crystals, which I trust are at work healing and guiding your ancient and new burdens as you read this. 2009 was the biggest year ever for us here at The Liquid Crystals, so thank you for your Time, Efforts and support. With the publishing of the Liquid Crystal Cards and other exciting stuff, 2010 is sure to be even bigger so stay tuned.

TLC Practitioners Recognised and Thankyou.

With 2012 approaching the world seems to be slowly waking to our mission and the integrity of service we provide on all levels here at the LC home base and via our Advanced network of Practitioners. In this world there are not many ways that you can Change your Life, Heal, and Grow for \$7.50.

It is with Great Love that I would Humbly like to thank all practitioners involved with The Liquid Crystals for sharing my Vision and that of the Brotherhood of Light to create a holistic modality seeded in oneness and truth that serves all, not just those that can afford it, we have passed our first level of achievement, surpassing all expectations. Now the pressure is really on.

In November you were all recognised for your ongoing service, by the Brotherhood of Light and Galactic Light command with a Green star which was set within the Petals of your White Rose. This gift is activated by a Trinity of (1)Larimar, (2)Turquoise and (3)Herkimer Diamond for 21 days, an initiation is usually completed in a Dream or Meditative state. Enjoy. Walk Gently and with Love

Justin.

P.S. I can hear you all,What does it do? You tell me ;-)

The Liquid Crystal Cards.

The New Color Cards wont be long, the refined 77 channelled artworks show the exact Devic Crystalline geometry, as well as the crystals Symbol, Simple purpose, exact Color frequency and the Atlantian City within which the crystal resided. Not just another set of cards, the geometric card back design allows the cards to be worked with as you would with actual stones, layed on the body directly for healing, guidance and growth.

The Guide book is a massive 300 pages containing over 250 exercises and specialized Crystal Trinities. All the Crystal information and Devic messages have been expanded and for the first time you will find affirmations, Keywords, Ascended Masters, Gods and Goddesses and exact Color Ray Percentages.

This is going to change Crystal Healing and the way people look at the mineral kingdom forever.

Watch the home page of the site for updates, but I will let you all know.

Orion Stargate activates Feb 5th- 20th.

5th - 9th Febuary -Black Coral Gateway Activation - Orion Star System Activates as its Second Brightest Star (Beta Star) Rigel is brought to life by Black Coral this will stay active in a major way under the guidance of Clear Calcite until the 9th. On the 9th other stones allow the gateway to rest open, it closes on the 20th when Herimer Diamond activates the Space of Oneness between Orion and Canis Major which contains Sirius for 4 days.

So... whats it all mean? Well... the Earth is showered with the frequency of pure white light allowing the realization of Light in all Darkness.

This is a powerful time in which the pure nature of Spirit ignites into realization and delusions are challenged. We have until the 20th of Febuary to open to the vision of all that we are united in the unity of Light. Needless to say great healing and is possible. This is also the space where the secrets of the Great Pyramids rest. I recommend taking and working with some of the crystals that are involved. Crystals that play a role in order from Feb 5th to the 19th are :-

Black Coral(Light in the Dark), Clear Calcite(Universal Mind), Green Tourmaline (Enlightenment), Peridot(Bringer of Joy), Larimar(Service), Tanzanite(Angelic Messenger), Chrysocolla(Silence), Pyrite(Spark of Life), Boji Stone(Balance, Align and Clear), Clear Quartz(Light Embodied) then ending with Diamond(Light body) and Herkimer Diamond(Oneness) whom activate the Space of Oneness on the 20th.

Using the simple purposes of each stone the message becomes:- Shine the Light through the Dark illusions of your world, allow your trust in Universal Mind to direct and comfort you into the space of Enightenment. Now with your newly open heart, carry Joy into the world and be the embodiment of Service. Let the place of Power in the divine plan echo in your Silence and its love will be felt in every direction. Let the fire of Ra live in you, for as the Spark of Life, you are the balanced, aligned and clear vessel, the pure Embodiement of Light. Join now the Light Body with that of the Physical and enter the United Flame of Oneness.

Exercise:- Take or hold one of the above mentioned crystals and call the Orion star system into your body. Let 8 White stars rest in your palms, in the arch of your feet, Third Eye, Heart and Physical Eyes.

Aloha, See you at the Herkimer Diamond Day.
